EXPERIENCE

Growth Marketing Manager (Freelance) | Ecom2Win 2026 - Present

- Plan and execute paid acquisition across Meta Ads and ChatGPT Ads, including campaign setup, audience strategy, optimization, and budget planning.
- Build conversion-focused HTML/CSS landing pages for ecommerce retention and AI offers, with forms, analytics, and conversion tracking.
- Manage cold-email strategy and campaign execution in Smartlead, from targeting and messaging to performance review.
- Research channel economics and acquisition opportunities across ChatGPT Ads and Google Search to guide budget decisions.

Digital Marketing Manager | HRWorld 2026 - Present

- Led marketing strategy for Fusion, HRWorld's global virtual AI and HR event.
- Managed a small marketing team of 5 across content, ads, email, outreach, and campaign execution.
- Increased event attendance from around 100 to 1,000+ participants in 1.5 months.
- Drove registrations through social media, cold and warm email marketing, LinkedIn outreach, and paid ads.
- Planned LinkedIn and Instagram ad campaigns and optimized messaging, channels, and audience targeting under tight deadlines.

Digital Marketing Manager | EagleActivator 2024 - 2026

- Plan and execute full-funnel Meta Ads campaigns across multiple industries, optimizing for ROAS and lead acquisition.
- Develop and manage lifecycle email automation workflows to improve conversion and customer retention.
- Build end-to-end marketing strategies including segmentation, funnel mapping, and analytics tracking.
- Lead LinkedIn and cold outreach automation campaigns using HeyReach and Instantly.ai.
- Ghostwrite executive thought-leadership content aligned with personal brand positioning.
- Track performance metrics and continuously optimize campaigns through A/B testing and data analysis.

Digital Marketing Strategist | Art Storefronts 2021 - 2024

- Led in-house marketing strategy for a SaaS platform serving artists globally.
- Managed Meta Ads and automated email campaigns driving demo sign-ups and customer engagement.
- Designed nurture sequences and retention campaigns within CRM systems.
- Created blog content, newsletters, and landing pages focused on lead conversion.
- Built and managed online community engagement inside the SmallWins Facebook group.
- Hosted marketing workshops and podcast episodes to increase brand authority.
- Contributed to launch of Marketing Co-Pilot and Marketing Hub products.
